Michael Strahan relisted his TriBeCa home for \$2.25 million, \$400,000 more than his 2009 asking price. The former New York Giants defensive end and "Live! with Kelly and Michael" co-host listed the two-bed, two-bath home for \$1.85 million in Nov. 2009. When it didn't sell, he made it available to renters. The 1,911-sq. ft. has 18-ft. high ceilings. Douglas Elliman's Frances Katzen has the listing. (Courtesy Melanie Greene | Brad Barket/Getty Images)
