## Have You Heard ...

**F**ORMER New York Giants defensive end Michael Strahan, a football analyst on FOX NFL Sunday and star of the FOX sitcom "Brothers," is now tackling the real estate industry.

The Super Bowl champion just listed his über-trendy Tribeca loft with **Frances Katzen of Prudential Douglas Elliman.**

Strahan, who set an NFL record with 22.5 sacks in a single season, hopes to score \$1.875 million for the 1,911 s/f studio, which is in a converted pre-World War II commercial building.
