This loft is 'Giant'

Former Giants superstar **Michael Strahan**, who has been spending a lot of time in LA, has listed his 2,000-square-foot loft at 25 Murray St. in TriBeCa for \$1.85 million.

The condo loft, which Strahan bought in 2006 for \$1.6 million, has 15-foot ceilings. The two-bedroom, two-bathroom unit also features a dramatic, long and cavernous entry.

Frances Katzen of Prudential Douglas Elliman has the listing.
