From Luxury Listings NYC: It's a real estate touchdown for retired New York Giants defensive end Michael Strahan, who sold his 1,911-square-foot home at 25 Murray Street in Tribeca, Luxury Listings NYC has learned. Strahan, who now spends his post-football days as a co-host on "Fox NFL Sunday" and on "Live! With Kelly and Michael," sold the home for more than the asking price of \$2.3 million.
