HOMEFALL PREVIEW

NEW ON THE MARKET

Rookie NYC developments get ready to rumble

This new boutique building will fit in with the general scale of historic Clinton Hill. The condo's 10 units will come in a mix of one- and two-bedroom configurations. All of the homes will feature eco-friendly bamboo flooring, CaesarStone countertops and GE appliances in the kitchen, and bathrooms will be outfitted with rain-fall showerheads and towel warmers. Some will have home offices, multiple baths, private gardens and balconies. Building amenities will include a garden and wraparound roof deck. The homes will start just under \$400,000 and are scheduled for completion in October. Contact: [\(718\) 783-8236](tel:7187838236)
