Real downsizer of NY

FORMER “Real Housewives of New York City” star **Jill Zarin** (below) has listed her apartment at 401 E. 60th St. for \$3.29 million. The 30th-floor home is 2,000 square feet. Forbes first reported the listing. “After 18 years, Jill is looking to downsize and travel more to warmer climates now that [her daughter] **Ally** has moved out,” a friend tells Gimme Shelter. Zarin also shared the three-bedroom pad with her husband, Bobby,

who died earlier this year. The listing brokers are Douglas Elliman’s **Jessica Cohen**, **Jennifer Vandekieft** and Empire State Properties’ **Suzanne Miller**.
