Dream Homes
WHEN ONLY A MANSION WILL DO
BY VICTOR WISHNA

Steps from the chic Mercer hotel, this new-construction "trophy loft" boasts 3,063 square feet of luxury that includes three bedrooms, 3½ bathrooms, a gas fireplace, a glass-wrapped solarium and top-name kitchen and bathroom brands throughout, such as Dornbracht, Miele,

Waterworks, Duravit and Lefroy Brooks. And it wouldn't be a penthouse without outdoor space! This one has 1,600 square feet — on two setback terraces plus a "spectacular" roof terrace. **Agents: Fredrik Eklund and John Gomes, Douglas Elliman, 212-727-6158 and 212-727-6178**
