

Dream Homes

When only a mansion will do

Keller-Sandgren Architects

\$13.9M
Sands Point,
L.I.

▲ Get all the glitz of the Gilded Age and brand-new construction, too. This 17,000-square-foot “smart home” includes seven bedrooms and extras like an indoor basketball court, elevator and wine room. There’s also a pool, cabana and “lush” gardens that lead to a private beachfront. **Agents: Jill Berman and Maggie Keats, Douglas Elliman, 516-944-2852 and 516-944-2879**
