We hear . . .

. . . That the broker stars of two rival reality shows, **Michele Kleier** and daughters **Samantha Kleier-Forbes** and **Sabrina Kleier-Morgenstern** of HGTV's "Selling New York" and **Fredrik Eklund** and **Ryan Serhant** of Bravo's "Million Dollar Listing New York" were well behaved in front of one another at an Eleven Madison Park shindig to launch Douglas Elliman brokers' **Melanie Lazenby** and **Dina Lewis**' new project, the Whitman. Douglas Elliman's **Howard Lorber** and **Dottie Herman** were also at the launch party for the new boutique building on East 26th Street, where full-floor condos start at \$10 million and the penthouse duplex is \$22.5 million. The landmarked 1924 building was originally the headquarters for a textile company, Clarence Whitman & Sons.
