## Gimme Shelter

JENNIFER GOULD KEIL

### Facing the music

ACTRESS and singer **Jennifer Hudson's** (inset) former Upper West Side pad is back on the market at the storied Apthorp. But this four-bedroom unit at 390 West End Ave., where she lived from 2015 to 2016, costs more than a song: The 11th-floor pad is listed for \$7.9 million. The gut-renovated residence comes with three full bathrooms and a powder room. The living and dining rooms have fireplaces. As for amenities, there's a gym, an entertainment suite and a playroom. The listing brokers are **Anthony Barillo**, **Fredrik Eklund** and **John Gomes**, of Douglas Elliman.
