**Luxury listing: Windsor Tower penthouse**

*Open layout and double-height ceilings create plenty of room in Manhattan penthouse*

This triplex penthouse in Manhattan's Murray Hill neighborhood sits in the Windsor Tower, featuring dramatic neo-gothic sculptures of gargoyles in its iconic terrace and double-height ceilings that make you feel suspended in the panoramic views of the city.

The two-bedroom, 2.5-bathroom home is [listed at \\$4.5 million](#) by Patricia Slochower, Carolyn Zweben, Paul Zweben and Mariana Pomerlian with Douglas Elliman.
