### FUN IN THE SUN

HAMPTONS PARTIES HAVE EVERYONE WAITING FOR THE WEEKEND!

On Saturday, June 17, The Retreat, a nonprofit on the East End, held its 30th All Against Abuse gala. The event raised awareness about victims of domestic abuse and educated attendees about the organization's mission to provide safety and support. The following Saturday, June 24, the Moriches Bay Project's third annual Oyster Fling took place. Raising money to improve the quality of the water in Moriches Bay, the catered event included an open bar, live music, and a cigar bar from Hampton Cigar Company (various locations, 888-746-5650; [hamptoncigarcompany.com](http://hamptoncigarcompany.com)). In addition,

Attisbury Mansion teased its refurbishment with preview images on its website, making us super eager to see the rest of the Manhattan space.
