## A loft space to dye for

Ever wonder how stars like **Christie Brinkley, Uma Thurman, Renée Zellweger, Kate Hudson** and **Julia Roberts** end up with such perfectly highlighted locks? They all go to **Sharon Dorram**, dubbed “colorist to the stars” on her website. Dorram is now renting out her luxe prewar loft at 345 Greenwich St. for \$14,500 a month. The stylish (natch) fourth-floor, two-bedroom, 2½-bathroom unit is 2,219 square feet and comes with a wood-burning fireplace. The loft’s study can be transformed into a third bedroom. The unit comes with lots of storage, is wired for sound and includes a large, hidden TV screen over the fireplace along with a TV/video projector. Broker **Carol Staab**, of Douglas Elliman, has the listing.
