# The Hollywood Reporter Hosts MFG's Mario Carbone and Rich Torrissi at One West End

The Hollywood Reporter hosted an event at luxury development One West End with Major Food Groups' Mario Carbone and Rich Torrissi.

Guests were able to tour One West End, the resort-inspired luxury condominium with architecture by Pelli Clarke Pelli architects and interiors by Jeffrey Beers, while being treated to a variety of food from MFG's mouthwatering restaurant Santina in the chef's kitchen.

For more information about One West End, please visit [www.1westend.com](http://www.1westend.com).
