This modern masterpiece sits on a large lot and enjoys expansive views of Biscayne Bay. The property features seven bedrooms, a guesthouse, a 73-foot-long pool, and custom wine cellar. The main living area has white walls and large windows that accent the spectacular views. Other notable design elements that set this 13,483-square-foot retreat apart include a large outdoor entertaining area and eight-car garage. And its location in the Camp Biscayne area of Coconut Grove provides just the right mix of privacy and proximity to Miami's night life.
