## THIRD ANNUAL NEW YORKIE RUNWAY SHOW

February 7, New Yorker Hotel

The third annual New Yorkie Runway Show captivated real estate professionals and dog aficionados alike last week at the pet-friendly New Yorker Hotel. Hosted by Miss USA, Alyssa Campanella, who had previously walked in the show last year, the show, which coincides with Fashion Week, also drew celebrities including Cat Greenleaf from NBC's Talk Stoop, Eden Wood of Toddlers & Tiaras, and reality stars from Million Dollar Listing, Millionaire Matchmaker, and the Real Housewives of New York. Chaired by Douglas Elliman Executive Vice President Jessica Cohen, the runway show was initially a venture by Elly McGuire, founder of New Yorkie Runway and designer of New Yorkie Products, to raise money for the Angel on a Leash. The foundation helps train therapy dogs that visit hospitals to visit patients and those in need.
