Three Brooklyn Townhouses for Under \$3 Million

Welcome to the Brooklyn Townhouse Roundup, where we—you guessed it—take a look at the most notable Brooklyn townhouses to hit the market over the past week.

This week, we've got three townhouses in various states of repair and quality. The good news is, they're all asking under \$3 million. Starting in Clinton Hill, this four-story townhouse was built in 1873 and has original details and a beautiful garden that has apparently been on the Clinton Hill Garden Tours. It's asking \$2.275 million, though it definitely needs some work.
