Details Magazine hosted a cocktail party and panel presentation to celebrate the magazine's September issue story introducing some of the super-brokers who handle New

York's high-end real estate. The event was held at the penthouse of The Whitman, which is being marketed by Douglas Elliman agents Melanie Lazenby and Dina Lewis. Lazenby, Tal Alexander and Oren Alexander, joined Dan Peres, Details editor-in-chief, and author Michael Gross, along with other recognized brokers, TOWN's Clayton Orrigo and Corcoran's Noble Black in a candid conversation about the ultra-premium market. Douglas Elliman's chairman and president, Howard Lorber and Dottie Herman, respectively, were also in attendance.
