DETAILS MAGAZINE HOSTS COCKTAIL PARTY/PANEL AT THE WHITMAN PENTHOUSE

Recently, Details Magazine hosted a cocktail party/panel to celebrate the magazine's September issue story introducing some of the super-brokers who handle high-end real estate.

The event was held at the penthouse of The Whitman, which is being marketed by Douglas Elliman agents Melanie Lazenby and Dina Lewis.

Douglas Elliman agents Melanie Lazenby, Tal Alexander and Oren Alexander joined Dan Peres, Details Editor-in-Chief, and noted author Michael Gross, along with other recognized brokers, Town's Clayton Orrigo and Corcoran's Noble Black in a candid conversation about the ultra-premium real estate market. Douglas Elliman's Chairman and President, Howard Lorber and Dottie Herman, respectively, were in attendance. ■
