JOY CORRIGAN

Resident Cover Party

By HILLARY LATOS

As Halloween is one of New York City's favorite holidays, Resident Magazine threw a silver, black and white masquerade bash to celebrate our October issue with our stunning cover girl Joy Corrigan. Guests mingled amongst the sprawling luxurious Tribeca Penthouse with panoramic city views listed by Erin Lichy of the Eklund Gomes

team at Douglas Elliman. Joy and friends sparkled in opulent jewels provided by Red Carpet Rocks. Special thanks to Party City who provided the "spookilicious" themed décor, Frette and Encompass Media Group. And guests enjoyed libations provided by Vivanco, Chateau Auguste and Patriarche with scrumptious catering by Testino Events. ♦
