DOUGLAS ELLIMAN's **Jessica Cohen** is helping organize this year's Hamptons Happening, a fundraiser for the Samuel Waxman Cancer Foundation.

A highlight of the Hampton's social calendar, the soiree has raised more than \$1 million since its inception and is anticipated to garner another \$500,000 this year.

The benefit will feature food prepared by Chef **Todd English** - an honoree of the event along with fashion icon **Ruth Finley**, founder of the Fashion Calendar – and local restaurants Loeb Boathouse, Bareburger, SEN Sushi, Walles & Dinges, La Churreria and Kyotofu.

A Hamptons Happening will be held at the home of **Maria** and **Kenneth Fishel** in Bridgehampton on Saturday, July 27, from 6:30- to 9:30 p.m.
